

May 5, 2009

Dear Shareholder:

Thanks for hanging in there with us, over the last year. Many of you have requested removal of the 144 Restriction legend, from your certificates. We have hopefully made this process a little bit easier for you to move through the required paperwork needed to accomplish this. Please understand that the requirements are set by the SEC and our independent transfer agent. Attached you will find a couple of documents that you need to read and fill out where necessary.

It is your responsibility to follow the instructions provided by Island Stock Transfer and complete the *Non-Affiliate, Shareholder Representation Letter*. Please note that we had our Attorney provide the **Opinion Letter** required for completing this transaction. You do not need to provide one.

Here are some key points to consider before contacting Island Stock transfer.

- Be ready to send your original certificate to Island Stock transfer with a letter "requesting legend removal pursuant to rule 144 and opinion on file with Island Stock Transfer and Apple Rush Inc." and a completed *Non-Affiliate, Shareholder Representation Letter*. Please instruct Island Stock Transfer where you want the new certificate returned to.
- If you want a clear certificate back in the exact same name, you don't have to sign the certificate or get a signature guarantee. If you want the shares transferred once cleared, you need a bank/medallion signature guarantee from any bank or broker-dealer.
- We recommend that you send the certificate & letter by Fed Ex, UPS, USPS or some courier service that gives you a tracking number, because it's an expensive hassle if it gets lost.
- While we have eliminated some of you expenses, you will still be responsible for expenses relating to the 144 Restriction removal from Island Stock Transfer. Please contact them for all related fees.

Once you have met all the terms as outlined in the instructions provided by Island Stock Transfer, please make contact with them to finalize the process. You can reach Island Stock Transfer at: (727) 289-0010, or on line at www.islandstocktransfer.com.

Hopefully, we made the process a little easier for you to navigate through. I also want to extend our appreciation for your support for Apple Rush. We look forward to making 2009 a successful year.

Sincerely,

Robert Corr
President
